"Pressestimmen 'A riotous read... some of the most flawed men are also some of the greatest.' 'The Times' Synopsis Scandalously it's been business at usual in parliament despite Tony Blair's promise of a new dawn over Britain in 1997. Conmen, secret home loans, walks on the wild side, liars, ridiculously expensive wallpaper and a jailed peer-cum-celebrated author have joined the prostitutes, gropers, shady share dealers, rent boys and Soviet spies that have been such a colourful feature of politics for five centuries. In this comprehensively updated edition of the bestselling 'Great Parliamentary Scandals', Matthew Parris and Kevin Maguire shine an entertaining and highly revealing light into the murky underworld of British parliamentary life, exposing the low side of high office.
